

The player who is asking for your support is a player on a Folsom Soccer Club Competitive team.

A Competitive team is required to be self-funded. For the 2016 season, a team's expenses are estimated to be between \$300 – \$400 per player. This amount covers the cost of tournaments, team equipment and team training.

Your contribution will be used to help defray the financial burden of this team. Folsom Soccer Club is a non-profit 501© organization, which is described in section 170© of the Internal Revenue Code. Therefore, your contribution may be fully tax deductible. For a minimum contribution of \$200.00 or higher you will receive an appreciation plaque with the team's picture on it and many thanks from all of the players.

Without the support from members of our business community, players like this might not be able to compete at the competitive level.

Please make your check payable to ***Folsom Soccer Club***. Please note the team name you are supporting and mail to:
